

COACHING FOR COLLABORATION

WITH XAVIER GARCIA-WEIBEL
AND TANJA KULLY

"You can work on collaborating with others who complement your worldview because they are attuned to things that you might miss." - Lee G. Bolman, Terrence E. Deal

How do you create a space for nurturing dialogue?

With increasingly complex global challenges, we need collaboration more than ever. A few of us have learned how to create and hold spaces that foster both the flourishing of the individual as well as the collective. At "Coaching for collaboration" participants experiment with different powerful methods and tools in order to support a fruitful collaboration. You will discover how to hold space for an individual or a team in order to achieve an alignment of purpose.
